EXAMINER'S COMMENT

The following is an examiner's statement of reasons for allowance:

The phrase "fragment of human Hsp70", recited in claim 18, refers to a protein that is at least one amino acid shorter than the full-length sequence, as noted in Applicant's response on 5/30/2006. The amended claims no longer read on the full-length Hsp70, thus the prior art of record no longer anticipates the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Judy Lille Tidwell, PhD whose telephone number is 571-272-5952. The examiner can normally be reached on 8:00AM - 5:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jeffrey Siew can be reached on 571-272-0787. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
